How it Works:

It's simple! Purchase and sell the NCP Bundles listed above. Upon conclusion of the promotion, Panasonic will classify dealers as Bronze, Silver and Gold according to their quarterly sales performance and send prizes to the dealers in each medal category that sold the most NCP bundles!*

The winners of the NCP Spring Sales Promotion will be notified by their Area Sales Manager at the promotion's end and will be announced on BTSDDealer.com. Dealers can expect their prize in the June timeframe.

Effective April 9, 2009 through June 30, 2009.
